

## Diagram

### NOTE:

- Apply the designated thickness over surfaces including gaps and edges.
- Avoid spraying agents on following parts:  
Window glass, lights, exhaust parts, tires, bumper, lower skirts.
- Wipe up spilled agents at once from rubber and plastic parts.

### Anti-rust Agents:

- Use RUSTOP, DEOX #100, WAXOYL or equivalents for protecting inner surfaces.
- Use NOX-RUST 409-20S, SOLTON 1000S or equivalents for protecting outer surfaces.
