

# Cruise Control

## Troubleshooting

### NOTE:

- The numbers in the table show the troubleshooting sequence.
- Before troubleshooting:
  - Check the No. 5 (15 A) fuse in the under-dash fuse box, and the No. 29 (50 A) and No. 45 (20 A) fuses in the under-hood fuse/relay box.
  - Check that the horns sound.
  - Make sure that the headlights go off.

| Items to be inspected  | Control switch | SET/RESUME switch | Brake switch/adjustment | Clutch switch/adjustment (M/T) | A/T gear position switch (A/T) | VSS | Dimming circuit in gauges | ECM | Poor ground                  | Open circuit, loose or disconnected terminals                   |
|--|----------------|-------------------|-------------------------|--------------------------------|--------------------------------|-----|---------------------------|-----|------------------------------|---|
| Symptom  |                |                   |                         |                                |                                |     |                           |     |                              |   |
| Cruise control can't be set.   | 2              | 3                 | 4                       | 5                              |                                |     |                           | 1   | G101<br>G401<br>G402<br>G403 | BLU/RED, LT GRN/RED,<br>LT GRN, GRY, BLU/ORN,<br>GRN/WHT or ORN |
| Cruise control can be set, but indicator light does not go on.   |                |                   |                         |                                |                                |     | 2                         | 1   | G401<br>G402<br>G403         | YEL or BLU/BLK  |
| Cruise speed is noticeably higher or lower than what was set.  |                |                   |                         |                                |                                | 1   |                           | 3   |                              |   |
| Excessive overshooting and/or undershooting when trying to set speed.  |                |                   |                         |                                |                                | 2   |                           | 3   |                              |   |
| Steady speed is not held even on a flat road with cruise control set.  |                |                   |                         |                                |                                | 1   |                           | 3   |                              |   |
| Car does not decelerate or accelerate accordingly when SET or RESUME button is pushed.                           |                | 1                 |                         |                                |                                |     |                           | 2   |                              | LT GRN/BLK<br>LT GRN/RED  |
| Set speed is not canceled when clutch pedal is pushed (M/T).   |                |                   |                         | 1                              |                                |     |                           | 2   |                              |   |
| Set speed is not canceled when shift lever is moved to <b>N</b> (A/T).   |                |                   |                         |                                | 1                              |     |                           | 2   |                              |   |
| Set speed is not canceled when brake pedal is pushed.  |                |                   | 1                       |                                |                                |     |                           | 2   |                              |   |
| Set speed is not canceled when control switch is pushed OFF.   | 1              |                   |                         |                                |                                |     |                           | 2   |                              |   |
| Set speed is not resumed when RESUME button is pushed (with main switch on, but set speed temporarily canceled). |                | 1                 |                         |                                |                                |     |                           | 2   |                              |   |
